

## 2024 PRODUCT OFFERING

### OUR PARTNERS

We proudly source our products from only the finest providers, vetting all of our partners to ensure they share the same values as us. The Linz family is proud to exclusively provide Linz Heritage Angus beef and a variety of other proteins to fulfill your needs.

When you see our seal on the box, you can guarantee the product is the best and we stand behind it.

### BLACK ANGUS

Exclusively from Meats by Linz, Linz Heritage Angus is 100% Black Angus sourced from our herd at our Oklahoma ranch, fed on our Colorado feedlot, and aged and cut at the Meats by Linz processing facility after harvest. We have full control of this program, giving customers a true conception to plate story.
